## BUILD INTEC 2022 Driving Growth

The face of construction is changing with new and disruptive technology driving the industry to the future. Identifying technologies that transform the approach to social infrastructure development and construction is going to become even more important over the next few years, as Smart Cities are becoming normal for countries across the World. Build Intec 2022 Expo will be the ground for knowledge sharing and business networking and is conceived with an objective to promote the latest trends and technology in the field of construction Industry.

## Each New Edition - A Trend Setter

BUILD INTEC is geared up to mark its 11th edition. In retrospect, 10 successful editions, over 65,000 business and industry visitors, more than 300 exhibitors, 400 booths, 200 product categories and trade turnover in excess of Rs. 1000 million in all its past editions.

BUILD INTEC has witnessed an over - whelming response from the industry and trade. Be it the patronage of the concerned departments of the Indian Governments, the participation from leading national and international organizations and enterprises has been phenomenal. In addition, with due support from the Media, BUILD INTEC has been accorded the iconic status that it truly deserves making every edition a success story.

## Why Coimbatore

Located in the West of the state, Coimbatore is the second largest city in Tamil Nadu and a fast-growing Tier-II city. It is historically associated with a robust textile and cotton industry, Engineering industry, though has diversified of late into services, like IT, Jewellery, Health care, and Finance. It is also served by an international airport.

Being one of the smart cities, Coimbatore will be an inclusive, secure and effectively governed metropolis that offers the highest quality of living for its progressive and diverse populace by providing universal best-in-class civic services, enabling seamless mobility, fostering a dynamic vibrant economy and nurturing clean, resilient and sustainable environment.

## WHY BUILD INTEC AT COIMBATORE

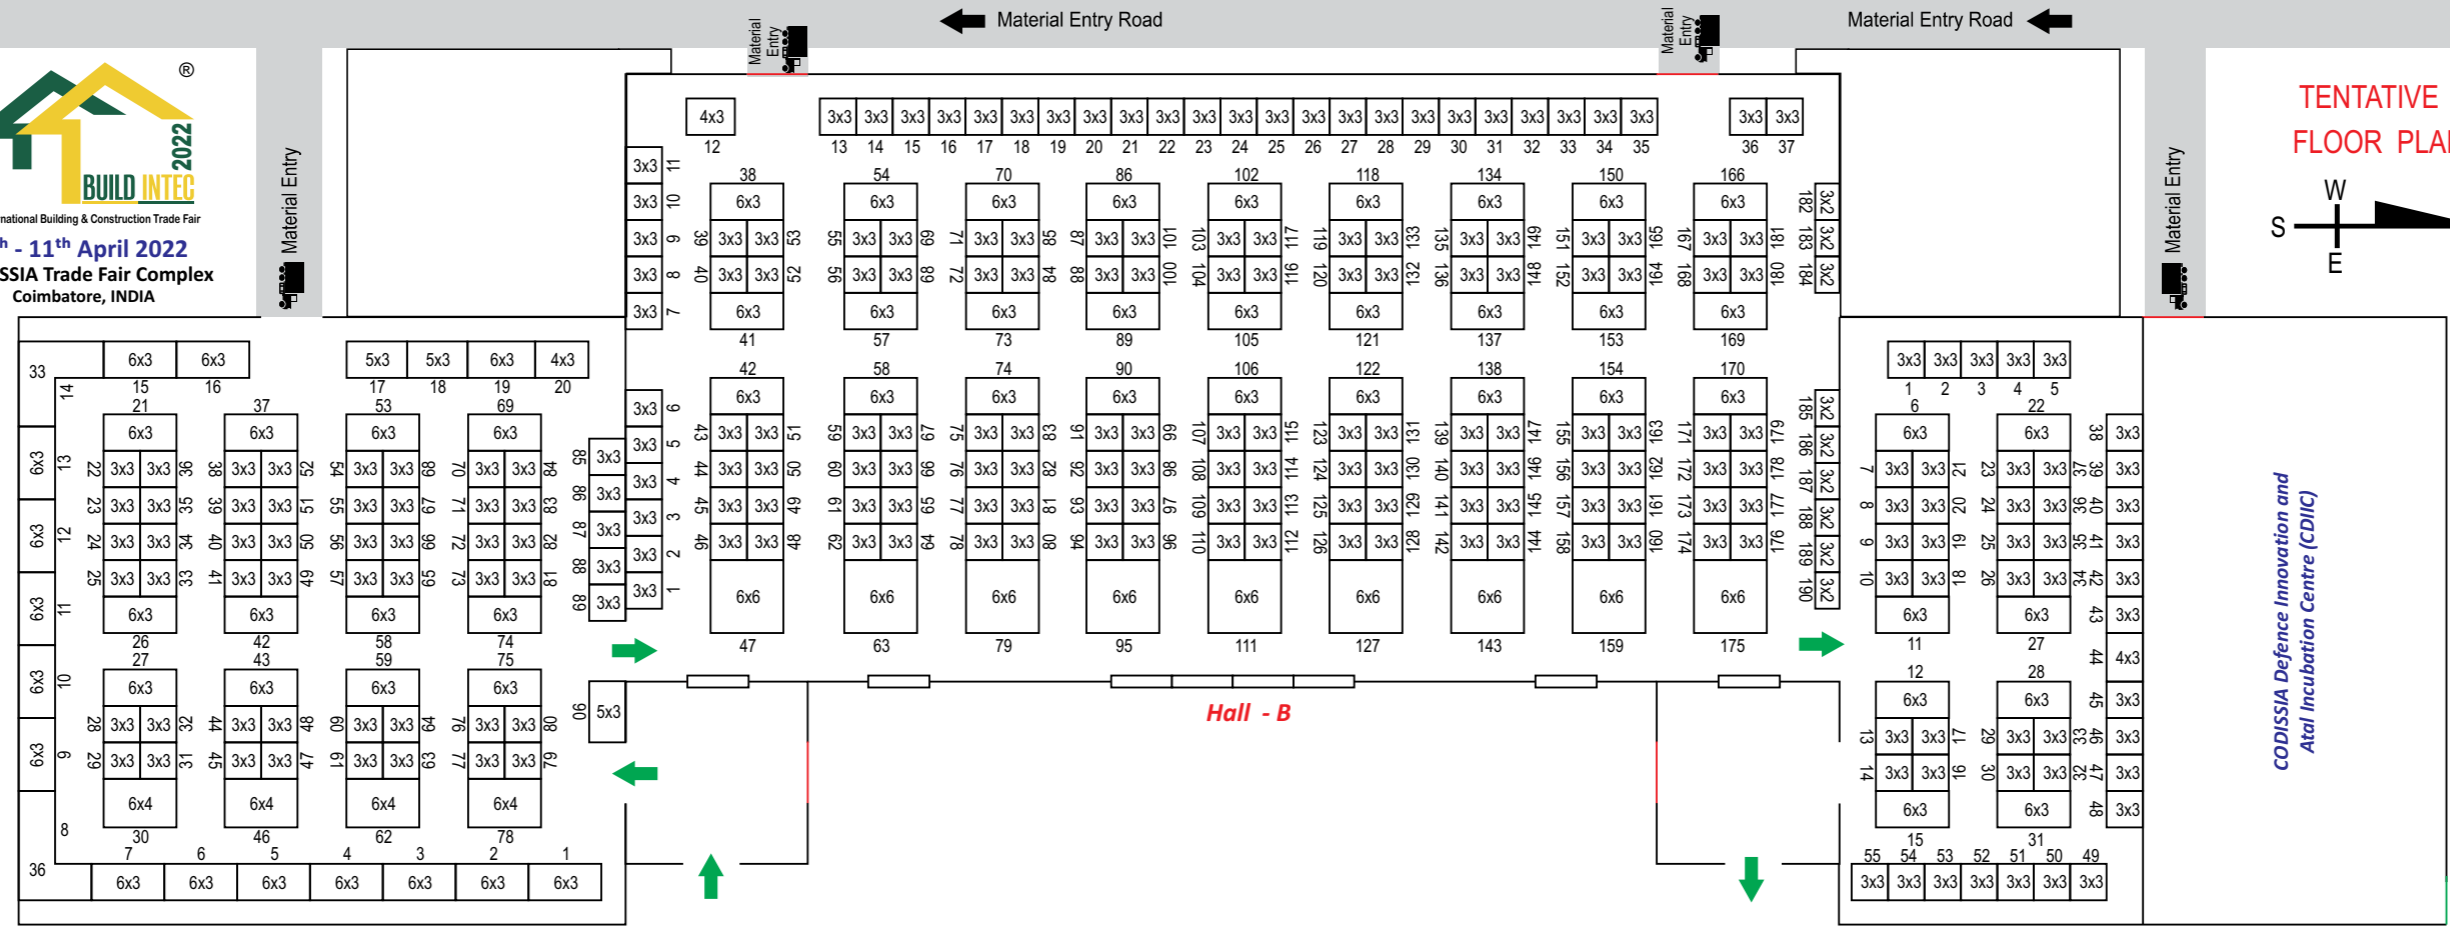

- The planned urban area of the state's second-biggest city, Coimbatore, is set to expand nearly 10 times. The master plan for the city focuses on land use proposal based on future population growth.
- With projects to the tune of around 550 Million USD planned for the major projects of the Highways department in and around Coimbatore district, which includes Major Flyovers, Elevated expressways, many ROBs (Rail Over Bridge), ring roads, metro rails routes, etc., the region is expected to get its much-needed boost on the infrastructure front.
- With many Townships, Malls, Humongous Residential Projects, Robust Educational Infrastructure producing skilled workforce, High demand of Commercial spaces, opening up of many new Healthcare and Multi-specialty hospitals, etc., amounting to a total of around 250 million USD, Coimbatore region is deemed to be one of the most favored destinations for Infrastructure developments and real estate investors.
- To harvest this bumper opportunity and to reap the benefits of the future, CODISSIA Invites companies from the construction sector to market their Products and to establish their business network in Coimbatore, Tamilnadu.

## CODISSIA Trade Fair Complex - Salient Features

- India's third largest trade fair complex
- Asia's largest pillar free hall
- State-of-the art modern trade fair complex
- Adjacent to Airport complex on the highway
- Air connectivity to Delhi, Mumbai, Chennai, Calicut, Hyderabad, Bangalore, Sharjah, Colombo and Singapore
- 40 acres total area
- 20,000 sq.mt. - Exhibit area
- 13,000 sq.mt - Amenities area
- 10.65 mt - Headroom
- 5m Height x 4.6m Wide vehicle entry
- Space for parking more than 3000 four wheelers and 5000 two wheelers
- Heavy Duty Flooring
- Concealed and Underground Cabling
- Proximity to Airport, Railway Station and National Highway
- 2 km from Airport
- 6 km from Railway Station
- 1 km from NH 47
- Availability of Power, Water and Compressed Air
- Systematic and excellent stall layout, Conference Halls with Wi-Fi connectivity
- Demonstration Area

As a leading building & construction event of the region, BUILD INTEC 2022 will attract extensive media coverage. There will be wide ranging presence in the following:

**PRINT MEDIA** : Leading National Dailies of the region, Regional Vernacular Dailies, 'B' to 'B' & 'B' to 'C' Business Magazines and professional journals of the Construction Industry.

**SOCIAL MEDIA** : There will be a focused intensive e-marketing programme through leading social media platforms like Facebook, LinkedIn, Twitter and Youtube. Marketing using Digital Technologies and Mediums such as Mobile Phones and Display advertising. In addition, Publicity on various prominent portals and through Banner space, e-newsletters and articles to the related associated members and industry stalwarts once a fortnight to ensure maximum footage and presence amongst the target visitors.

**ELECTRONIC MEDIA** : Publicity on the leading FM Channels and Regional Satellite TV Channels.

**OUT DOOR MEDIA** : Posters and Banners shall be placed at strategic and key locations on a regional level to create a constant hype among the target groups.

**PR ACTIVITY** : Press Meet with representatives from leading media houses will be organised prior to the fair and constant Press Releases will follow through the event days.

All this will create the necessary hype and value to both the exhibitors as well as visitors.

**CODISSIA INDUSTRIAL PARKS** - CODISSIA has established two state-of-the-art Industrial Parks at Mopperipalayam & Kallapalayam villages, located 25 km from Coimbatore city in an area of 360 acres, to cater to 325 MSMEs with an investment in excess of Rs. 3000 crores. These industries will provide direct employment to about 10,000 people and indirectly generate employment opportunities to another 20,000 people.

Architect's view of the proposed building

**CODISSIA DEFENCE INNOVATION AND ATAL INCUBATION CENTRE** - CDIIC has been established with a vision to develop Coimbatore region into a leading Defence Manufacturing Hub within the next 10 years and the largest contributor in the Southern Defence Corridor. Strategically located in the Defence Corridor, CDIIC aims to assist MSMEs to cater to the Defence Forces in indigenisation of their requirements and import substitution, ultimately helping our Armed Forces to fight India's Wars with Indian Technology. Through the Incubation Centre, it shall encourage and support start-up entrepreneurs.
